2 September 2010

This newsletter is aimed at connecting, inspiring and facilitating high-growth, aspirational businesses in the Wellington region.

If you have any items of interest that your business peers might be interested in, please email them to [info@growwellington.co.nz](mailto:info@growwellington.co.nz) for inclusion in next week's newsletter.

## Mobile roaming charges

Are your staff running up big bills overseas?

The MED and Department of Broadband, Communications and Digital Environment in Australia are looking at the cost of trans-Tasman roaming services. If you have staff using mobile phones or laptops when they're abroad they'd like to hear how important roaming services are to your business, and what effect the current costs have on your business activities.

Have your say and click the link below.

## Do you have a great Cleantech idea?

The New Zealand Cleantech Challenge is a hunt for the most promising clean technology ideas anywhere in New Zealand.

If you've got a Cleantech idea, make sure you have entered it before September 24.

## Unlimited Potential - Co-founder matchmaking

In conjunction with Wellington's leading ICT network, Unlimited Potential, we are holding a co-founder matchmaking event to help you find the ideal people to help turn your ICT idea into reality.

We welcome software developers, web designers and database specialists plus people with experience in technology strategy, marketing or finance or anyone with a great tech idea that needs to build a team.
